

## Silicone free defoamer Tech-407W

### Description

Tech-407W is a silicone free defoamer for water based systems. It has strong defoaming ability and it should be introduced in grinding stage.

### Physics and Chemical properties

**Ingredient** : silicone free polymer

**Appearance**: Colorless, viscous liquid

**Content** : 100%

### Specialty

1. Tech-407W defoamer is suit for water based system
2. Tech-407W should be introduced in grinding stage

### Application System and Dosage

Tech-407W should be charged at the lapping stage during the produce with **0.05%** to **1.0%** dosage to gross.

### Package

**25kg** plastic pail
